Ancestry (ANC:126)

Manufacturer: Calliope Games

Age: All Ages

Optimal no. of players: 4-6

Description: Ancestry is a tile drafting game. Over three rounds, players choose Ancestor tiles, build tableaux, and cultivate their lineage, scoring points for generations, wealth, and marriages.

Price: \$30.00

Where to order: calliopegames.com/read/91/ancestry

Azul (AAA:159)

Manufacturer: Plan B Games / Next Move Games

Age: All Ages

Optimal no. of players: 2-4

Description: Players compete decorating the walls of the palace by drafting a variety of tiles, the best artisan will maximize the score while not wasting supplies.

Price: \$39.99

Where to order: Local Game Store

BABEL - The Weird Word Game (BAB:137)

Manufacturer: MACBOOTH

Age: 13+

Optimal no. of players: 4-6

Description: Create phrases from randomly-dealt letters/numbers. Other players must guess meaning of phrase. Points scored according to number of letters in phrase. Player with most points at end of game is the winner.

Price: \$19.95

Where to order: Amazon.com

BEEEEEES! (BEE:133)

Manufacturer: Indie Boards and Cards

Age: 13+

Optimal no. of players: 2-4

Description: BEEEEEES! is a buzzing real-time dice rolling game for 2-4 players where brains matter as much as speed. Players frantically roll dice to claim hive tiles.

Price: \$24.99

Where to order: Amazon.com

Biome Builder (BIO:101)

Manufacturer: Killer Snails, LLC

Age: All Ages

Optimal no. of players: 2-4

Description: In BIOME BUILDER, discover plants and animals that live in the Amazon Rainforest, American Prairie, Sahara Desert, and Pacific Ocean. This fast-paced game explores habitats by creating food chains, but BEWARE! Action cards can upset the balance of these ecosystems. Race to build the richest food chains and ensure the survival of your biomes!

Price: \$15.00

Where to order: killersnails.com/order-game/biome-builder

Black Hat (BLA:119)

Manufacturer: Golden Bell Studios

Age: All Ages

Optimal no. of players: 4-6

Description: In the world of network security, a "black hat" is a hacker who defeats computer systems for personal gain. These rogue data jockeys pit themselves against the most secure systems in the world for the thrill of it (and maybe to make a little money). However, the most skilled hackers know it's not about getting there first; it's about ghosting in and out of the system without leaving a trace. Black Hat is a hacker-themed, climbing trick-taking board game for 2-6 players.

Price: \$44.95

Where to order: Amazon.com

Blaze (BAA:114)

Manufacturer: Rachel Rubin-Blaze

Age: All Ages

Optimal no. of players: 4–6

Description: BLAZE is a RACE to BLAZE through the MAZE with color, aura and grace. It is a fast fun game to BLAZE-A-Way to the other side. A game of memory, luck and strategy. Have fun blazing a way but be careful, do not fall into the black hole. And it can all turn around with the color twist and magic wheel! To win you have to be the FIRST to BLAZE a path (or jump onto someone else's path) to reach your end point.

Price: \$16.00

Where to order: rubin8.wixsite.com/rachelrubin/buy-blaze

Cahoots! (CAH:157)

Manufacturer: Gamewright

Age: All Ages

Optimal no. of players: 2–4

Description: The Cooperative Hint and Sync Game. In this colorful card game, cooperation is key! Play cards to one of four piles by matching color or number. Work together as a team to complete a series of goals - without communicating what's in your hand. Can you make all piles purple or green? Every card lower than four? All cards add up to 10? There's only one way to win before time runs out: play in cahoots!

Price: \$15.00

Where to order: Local Game Store

Candygrams: The Colorful Crossword Game (CAN:156)

Manufacturer: Candygrams LLC

Age: 13+

Optimal no. of players: 2–4

Description: Players start with 25 letter tiles. In each following round, every player connects one new word to their own crossword, matching the color combo rolled. Match the color combo by using any combination of both colors rolled — and only those colors — to form your entire new word. The game continues in rounds until the first player to use all their letters in their crossword is the winner.

Price: \$25.00

Where to order: Amazon.com

Capital City (CAP:128)

Manufacturer: Calliope Games

Age: All Ages

Optimal no. of players: 4–6

Description: Capital City is a quick card game. Players hire new characters to run their businesses. Picking the right people can earn bonus points, but may reward others! The most prosperous player wins!

Price: \$20.00

Where to order: calliopegames.com/read/92/capital-city

Castle Attack Chess (CAS:164)

Manufacturer: Rich V Creations, Inc.

Age: 13+

Optimal no. of players: 2

Description: Castle Attack Chess is more like a medieval war. Attack your opponent's army from three directions with more and new warriors, warrior weapons, and board weapons. Action cards allow special moves for surprise attacks. Use the 4 triangular spaces to change direction and make longer moves.

Price: \$44.00

Where to order: Local Game Store

CHARMS: A Game of Insight (CHA:865)

Manufacturer: Studio 9 Inc.

Age: 13+

Optimal no. of players: 4–6

Description: A creative problem-solving party game. Each player takes a turn as the Quester by asking questions from the quest cards. Other players find their inner sage and try to write the wisest answer based on the Quester's roll of the charms, their meanings and where they land on the board.

Price: \$39.95

Where to Order: Amazon.com

Check the Fridge! (CHE:154)

Manufacturer: Melon Rind

Age: All Ages

Optimal no. of players: 4-6

Description: An addition game in which a good poker face and math skills will take you far. The object is to collect matching food cards that add to exactly 25. Non-stop bluffing and strategy keeps players on their toes.

Price: \$13.99

Where to order: Amazon.com

Chickapig (CHI:158)

Manufacturer: Buffalo Games, Inc.

Age: All Ages

Optimal no. of players: 2-4

Description: Abstract strategy game played on a 196 square game board arranged in a 14x14 grid. Strategically navigate your six Chickapigs across the board and through your goal before your opponents.

Price: \$34.99

Where to order: Amazon.com

Circle The Wagons (CIR:145)

Manufacturer: Button Shy Games

Age: All Ages

Optimal no. of players: 2

Description: Build the best trail in the West! Blaze a trail by draftin' cards 'round the circle and placin' 'em in yer town, connectin' matchin' territories to score prosperity points! Don't forget about them three bonus cards in the center of the circle that can score ya even more points. With darn near 5,000 unique ways to score and millions of draftin' and placin' combos, you'll never build the same town twice!

Price: \$12.00

Where to order: buttonshygames.com/products/circle-the-wagons

Clustered (CLU:142)

Manufacturer: Sculpin Games

Age: All Ages

Optimal no. of players: 2-4

Description: Players move according to the symbols on the cards in their hands. The symbols vary by shape, fill type, and number. Challenge your pattern recognition skills by playing cards that share attributes in common with neighboring cards on the board. Carefully choose where to play in order to either score points for yourself or block your opponents from doing so. Simply score more points than the other players to win.

Price: \$14.99

Where to order: Amazon.com

Constellations: The Game of Stargazing and the Night Sky (CON:111)

Manufacturer: Xtronaut Enterprises

Age: All Ages

Optimal no. of players: 2-4

Description: Card-based puzzle game where players are stargazers learning about stars and constellations and competing to piece together the night sky.
